

9th International Conference on
Advanced Manufacturing Technologies
ICAMaT 2018

University
POLITEHNICA
of Bucharest

1 – 2 November 2018

CALL FOR PAPERS

Full paper submission **September 30th, 2018**

Camera ready **October 22nd, 2018**

www.icamat.ro

The ICAMaT 2018 conference is intended to join researchers, academics and professionals from industry, in order to present and share their recent major achievements in the complex field of the advanced manufacturing technologies.

Topics

- Integrated Product Development
- Flexible and Intelligent Manufacturing Systems
- Cutting and Forming Processes and Tools
- Technological Equipment
- Technological Measuring and Control
- Management, Marketing, Production Planning and Quality

Publication

The accepted scientific papers will be published in the **MATEC Web of Conferences**, available in full text online at www.matec-conferences.org

Organisers

Manufacturing Engineering (TCM) Dept.
Faculty of Engineering and Management of
Technological Systems (IMST),
University POLITEHNICA of Bucharest
and

Manufacturing and Industrial Management Dept.
Faculty of Mechanics and Technology
University of Pitesti
