

CHALLENGE TWIZY CONTEST ROMANIA

INVENT THE LIFE WITH TWIZY!

*Developing new mobility products and services
on the electric Twizy platform that address urban challenges.*

AGENDA

The 02th of May 2018: Kick-off Challenge Twizy Contest will be organized at RTR (Creative LAB) from 14:00, in the presence of stakeholders and students. The presence of the teams is mandatory during the Kick Off.

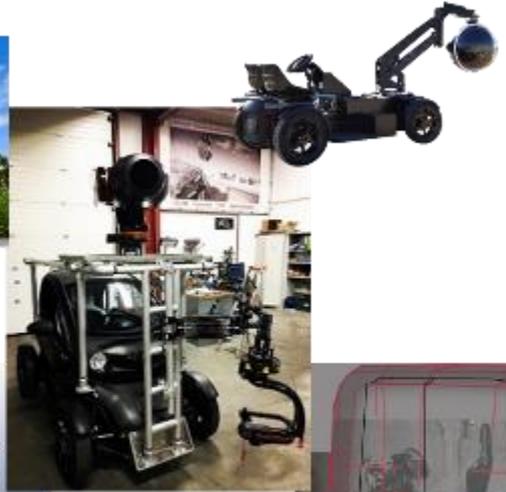

From the 01st of September to the 05th of October 2018: Printing the 3D models (possible with Fablab RTR support).

End of the 12th of October 2018: Date limit to upload the delivery on the data exchange platform (the server will be provided by SEGULA Technologies Roumanie).

The 26th of October 2018: Evaluation of the projects. All the teams will be invited to present in front of a jury for 30 minutes, in order to sell their project (20 minutes to present and 10 minutes for questions and answers).

The 26th of October 2018: Awards Ceremony.

TWIZY: BOOST YOUR CREATIVITY AND...

Invent the life with Twizy!

WHAT WOULD YOU DO ON A TWIZY PLATFORM IN AN « OPEN MIND » MODE

Renault Technologie Roumanie (RTR),
in partnership with
Segula Technologies Romania,
launches an inter-student Challenge:

Twizy Contest

Curious, ingenious, inventive... Read more!

**GROUPE
RENAULT**

TWIZY CONTEST

A project to transform a
Twizy platform

You are the creator!

In 6 months, you will develop a concept
of a product and service of urban mobility

- on the basis of an electrical Twizy platform,
connected,
- responding to an urban problem,
- following the technical requirements
transmitted by RTR

DELIVERABLES: YOUR VISION OF THE URBAN TWIZY

A presentation

A video presentation

A digital model

A file of maximum 10 pages

Elements of technical and economical feasibility must be included

HOW?
