

ANSA & μ ETA Info Day

UPB-PREMINV Research Center has the pleasure to invite you to the ANSA & μ ETA Info Day, hosted by Politehnica University of Bucharest and supported by **BETA CAE Systems SA**. The event will take place on January 26th, at the Engineering and Management of Technological Systems Faculty, Hall CD, Amphitheatre CD 008.

This event will introduce you to the ANSA & μ ETA CAE pre- and post-processing suite and will highlight its numerous applications. The new ANSA & μ ETA training courses held at PREMINV Training Center will also be introduced. The Technical Discussions that will follow the Event, as well as Q&A following the presentations will give participants the opportunity to meet in person with the engineers of BETA CAE Systems SA, as well as from **RENAULT TECHNOLOGIE ROUMANIE** and to discuss about the software features and their applications.

IMST Faculty would like to express the appreciation to the invited speakers from BETA CAE Systems SA, as well as from RENAULT TECHNOLOGIE ROUMANIE for their contribution to this event.

There is no participation fee.

For the best organization of the event, we would appreciate if you register by email to crisrina@mix.mmi.pub.ro, no later than **January 20th, 2012**.

Please find attached the Delegate Registration Form. For any further information do not hesitate to contact us by e-mail or by phone.

The language of the event will be English.

The attire will be business casual.

Coffee servings and snacks are courtesy of PREMINV Research Centre.
